

HOWIE STILLMAN

young leadership fund

March 27, 2012

Dear Friends,

Please mark your calendars and "save the date" for the 26th annual Howie Stillman Young Leadership Fund Event at the Adath Jeshurun Congregation.

This year's event is scheduled for **Sunday, April 22, 2012 at 7:00pm**. We are very pleased to share the evening with our guest speaker, humor columnist, DAVE BARRY.

For 25 years Dave Barry was a syndicated columnist whose work appeared in more than 500 newspapers in the United States and abroad. In 1988 he won the Pulitzer Prize for Commentary. Dave has also written a total of 30 books, although virtually none of them contain useful information. His most recent book "Lunatic" was co-authored with a previous HSYLF speaker, Mr. Alan Zweibel.

We will also be honoring the recipient of the HSYLF award as well as updating you on all our continued efforts within the community.

Also, please remember, it is now easier to stay connected with what's going on with the fund as well as having the ability to donate online. You can log on to the fund at www.howiestillman.org and simply click on the "donate" link. We hope this makes your experience easier and quicker than ever! Also next time you visit the website, please make sure and click on the "mailing list" and update your current home address and email address so we can stay in touch with you as well.

We've also continued our work in Kenya and the website can update everyone to the amazing events that have taken place in the last year.

The 26th Event is free and open to the public. We have been able to sustain and add to our great programs because of your generous donations. Please keep the HSYLF in mind to commemorate life events in the coming year. Thank you for your consideration in making a donation with the envelope provided, or at www.howiestillman.org.

We appreciate your ongoing support and commitment and look forward to seeing you at this year's event.
